# About Us

The Beaconhouse Group is a multinational private school system and is possibly the largest school system of its kind in the world. Beaconhouse School System opened its first school in Malaysia in 2004. Today Beaconhouse operates nine schools in Malaysia of which six are pre-schools and the other three are private schools in the Klang Valley .

# Mission

Beaconhouse aims to provide quality education of an international standard. We aim for excellence through quality management, quality training, and quality teaching. By doing so we hope to benefit our students, their communities, and the wider world.
