PRESS RELEASE

Our effort, small as it may seem, is nevertheless significant as we join large organizations working towards a truly noble and worthy cause, says Regional Director Beaconhouse Malaysia Sdn Bhd, Pn, Zarina, Moabarak

Cheque Presentation Ceremony for Mas Beacon & Mas Sinaran, the baby giraffes, adopted by Beaconhouse School System at Zoo Negara Malaysia

Petaling Jaya, June 28, 2011: In a highly vibrant and warm gathering of students, parents and teachers, Regional Director Beaconhouse School System, Pn. Zarina Mobarak presented a cheque of RM 30,000 to Dr. Mohamad B. Ngah, Director Zoo Negara, for adopting two newly born baby giraffes, Mas Beacon & Mas Sinaran, at Beaconhouse School Sri Inai, Petaling Jaya. The enthusiasm and joy of young students was a sight that could not be missed as the videos and pictures of baby giraffes were displayed. The giraffes were adopted on World Animals' Day 2010, before birth, to inculcate a sense of responsibility and value of life among the Beaconhouse students. Mas Beacon and Mas Sinaran were born on 27 April 2011 and 28 June 2011, respectively and the cheque presenting ceremony was organized to officially announce the adoption of Beaconhouse School System's tallest and youngest family members.

Dr. Mohamed B. Ngah, appreciated the efforts of Beaconhouse School System, in his address, for not only inculcating the sense of responsibility among students but also working on a subject that is often ignored by other organization working for social causes. He thanked the school for the contribution towards his ongoing efforts to involve educational institutions to create awareness of the issue right from an early age. Dr. Mohamad declared the students as his "tigers" whose enthusiasm and interest in protecting wildlife encourages him. Dr. Mohamed B. Ngah shared his plans of visiting other institutes for creating awareness of the government's efforts to restore and protect wildlife since the region has been blessed with a huge variety of wildlife. The

ceremony included a quiz show for the students who were overwhelmed to show their knowledge of the giraffes and wildlife.
